## WHY SHOULD YOU SAY **YES** TO SENIORS?

By 2030, 1 in 4 Washtenaw County residents will be over the age 60.

Washtenaw is one of just nine counties in Michigan without a dedicated senior millage to support its older and aging population.

Planning for an aging population now will shape how the future looks for seniors and each of us as we age.

**Seniors of today and tomorrow deserve a county-wide comprehensive aging strategy.**

## WHAT IS THE **COST** OF SAYING **YES** TO SENIORS?

The proposed .5 millage would translate to \$0.50 per \$1,000 of taxable value.

For a home with a taxable value of \$100,000 that is \$50 per year.

That's only around \$4.15 per month to ensure sustainable, long-term funding.

**LESS THAN \$5 A MONTH
